# CCHC Tree of Life Mission Project

A tree, a passion; the tree will accompany you and warm your heart every year.  
The fruit of the gospel will be more abundant because of the Tree of Life you plant!

The "Tree of Life Mission Project" is a part of CCHC's new vision and is a brand new ministry aimed at encouraging participants to bring their passion towards Missions and pass it on to families and future generations. At the same time, CCHC Ministries would receive continuous support to vigorously promote caring evangelism in the community and shepherd the sheep outside the pen.

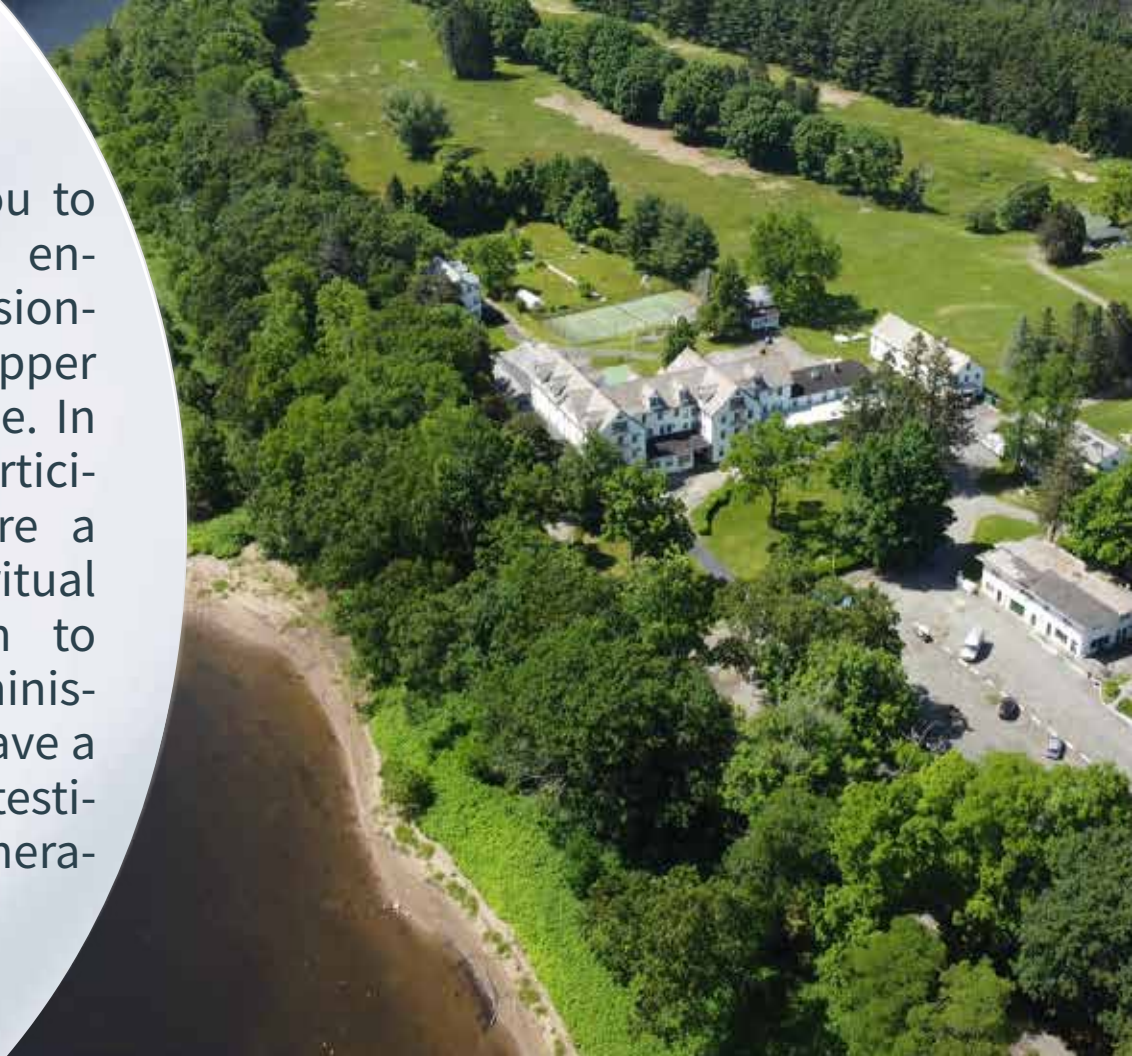

We will open seven parks in the "Life Blooming Garden" and plant a distinctive kind of flower tree in each park, with a total of 280 trees. We strongly encourage 280 people with the aspiration for Missions to join the "Tree of Life Mission Project".

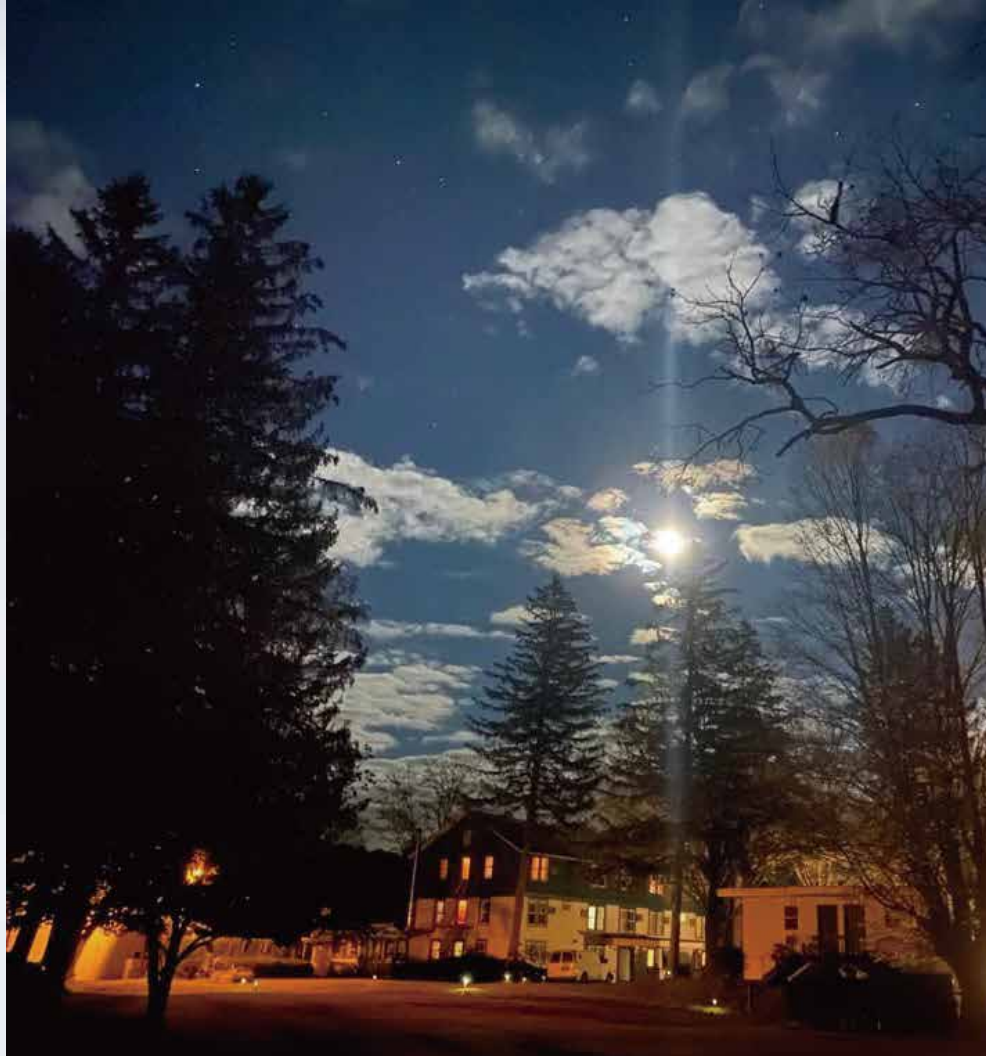

We encourage you to sign your name and engrave a heartfelt missionary message on the copper plate next to each tree. In other words, 280 participants can each share a message of spiritual wisdom. In addition to supporting today's ministry, this project will leave a collective missionary testimony for future generations.

Imbued with strong missionary aspirations in the “Tree of Life”, the participants will pass it onto their family members, or in the church community, allowing such passion to generate a burden for future Missions. With the passage of time and the growth of trees, each "Tree of Life" will flourish and become a permanent memorial.

Every spring, the trees are full of flowers, and the scenery of the “Life Blooming Garden” is beautiful and captivating. In the summer, the trees are lush and luxuriant, bringing breeze and shade. In autumn, the leaves fall with grace and beauty, and the autumn colors are even more brilliant. In the future, we will hold regular family events and make it a place people will love to visit.

We will set up several prayer rooms in the parks for personal, quiet, and spiritual purposes. There will also be a small chapel in each park, allowing several families to come together to hold family gatherings, to encourage one another, and to build a godly and happy family together. At the same time, we will set a theme for each park, especially the theme of caring for groups with different needs.

## How to participate:

Participants can donate \$15,000 to plant a tree of their own choice or the full amount can be divided into 5 separate donations of \$3,000 for five years. The flowering trees planted will be provided by the estate. No annual payment for maintenance or other expenses are required, but free donations and support are also welcome.

Please circle your favorite tree  
on the response form:

- A. Magnolia
- B. Ginkgo Tree
- C. Kanzan
- D. Crabapple
- E. Hawthorn
- F. Eastern Redbud
- G. Flowering Dogwood

# A. Magnolia

**Theme: Church Unity Zone**

Magnolia trees bloom at the turn of spring and summer, and the flowering period is from April to May.

## B. Ginkgo Tree

**Theme: New Youth Immigrants**

According to the annual growth pattern of Ginkgo trees, the trees are golden and dazzling in the autumn.

## **C. Kanzan**

### **Theme: Families with Special Children**

Kanzan trees bloom from late March to mid-April.

# D. Crabapple

**Theme: Single (Unmarried)**

American crabapple trees bloom in the spring;  
please choose either white or pink.

# E. Hawthorn

**Theme: Caring for the Family**

Hawthorn trees have white flowers in the spring (left) and red fruits in the autumn (right).

# F. Eastern Redbud

**Theme: Caring for Elders and Artists**

Eastern Redbuds bloom in April and May every year;  
first flowering and then leaves.

# G. Flowering Dogwood

**Theme: Prayer Zone**

The flowering period of Flowering Dogwood is from May to June, and the fruiting period is from August to October. Please choose either white or pink.

# **G. Flowering Dogwood**

Participants, please fill in the response form, and you can return the donation check to the "Tree of Life" information desk or you can send the check to the CCHC headquarters:

**CCHC**

**156-03 Horace Harding Expressway,  
Flushing, NY 11367**

Please make offering checks payable to CCHC (Remark: The Tree of Life).

After receiving the donation, CCHC will present the serial number of the tree and the donation receipt that can be used for tax deduction purposes.

You are welcome to join the Tree of Life Park Dedication Ceremony on July 1, 2023.
